*It is highly encouraged to not bring phones or to commit to not being on them unless its an emergency. Phones are the biggest thing we see keeping students from spending time with one another and with Jesus. All of our leaders will have phones that your kids can use to call if needed and our staff can be contacted any time in case of emergency. A weekend detox from their phones would probably do them some good too. We will be asking phones to stay away as much as possible and only used if needed.*
